## INDUSTRY'S LARGEST CHECK STUB DATA EXCHANGE

Thousands of companies use Oildex to automatically receive, verify and upload revenue detail (CDEX) electronically. Oildex delivers check stub data in a digital format (CDEX) for easy integration directly into oil and gas accounting systems or spreadsheet import.

## GO 100% PAPERLESS

With Oildex, companies can eliminate up to 100% of their paper-based check stub processing. In as few as 24 hours, Oildex can convert paper check stub detail into a standardized CDEX format.

## ONLINE ACCESS TO CHECK STUB DETAIL FOR OWNERS

With Oildex, oil and gas operators provide their owners with online access to view and print checks and check stub detail, run reports and download data. By reducing the number of routine royalty owner inquiries, Oildex saves operators and banks time and money.

## WHY OILDEX FOR CHECK STUB DETAIL?

Oildex is the premier provider of check stub solutions with the industry's largest network of remitters, the ability to eliminate up to 100% of paper-based processing and the ability to dramatically reduce owner support calls. Oildex enables companies to distribute, access and manage check stub data in a fully secure environment.
